# ALL FOR ALL PITTSBURGH CONNECTOR PROGRAM

Growing networks and addressing workforce needs by connecting immigrants with established professionals in the Pittsburgh area.

## Connectors are Pittsburghers.

They own businesses, work for nonprofits, and are community leaders. They want to help new Americans make connections so they can feel at home and succeed in Pittsburgh.

# Participants are new Americans, immigrants, and refugees.

They have professional experience and valuable skills, but do not have the networks to jump into an established career. They are looking for doors to open in the Pittsburgh area.

### **HOW DOES IT WORK?**

**The Connector Program** is a simple but effective referral process. The Connector meets with the participant for **30-40 minutes**.

After the meeting, the connector makes an **email introduction** between the connectee and three other contacts. Each of those three contacts then provides additional referrals.

From here, a participant's basic network is expanded through one-on-one meetings and **opportunities are formed**.
