

CONNECTOR

LOOKING TO GET CONNECTED?
WE CAN HELP.

The Connector Program is a formalized networking & integration initiative designed to broaden a job seeker's network through one-on-one, in-person meetings with established business leaders in the region.

It's a simple, effective, no-cost referral process putting newcomers in touch with highly-networked individuals to better connect to our workforce and settle more successfully in our community.

BECOME A CONNECTEE

Are you:

- new or have recently returned to the Central Okanagan
- a recent or soon-to-be post-secondary graduate
- a trailing spouse/partner

BECOME A CONNECTOR

Are you:

- a well-networked business professional
- looking to give back to your community
- someone who desires to help others build their network

I was able to connect with people who broadened my horizon as to what jobs existed and the different kind of opportunities in the market.
